Headquarters: New York, USA

Geographic focus: Global

Type of organisation: Membership

Number of members: 20 member organizations funding LGBTI movements in the Global South and East

Mission: Global Philanthropy Project (GPP) is a collaboration of funders and philanthropic advisors working to expand global philanthropic support to advance the human rights of lesbian, gay, bisexual, transgender, and intersex (LGBTI) people in the Global South and East.

Main areas of activity:
Research, donor convenings, resources, and joint advocacy and collaborative initiatives to grow the number of LGBTI funders and the amount of support reaching LGBTI communities in the Global South and East.

Main cooperation partners: Donor governments, multilaterals, philanthropy, and high net wealth individuals.

Number of employees: 4 full time staff, 2 part time consultants.

Annual budget: $904,727

Website: globalphilanthropyproject.org

Social media accounts: @GPP_Updates

Your three key publications/resources:
- 2015-16 Global Resources Report: Philanthropic and Government Support for Lesbian, Gay, Bisexual, Transgender and Intersex Communities
- Religious Conservatism on the Global Stage: Threats and Challenges for LGBTI Rights (English)
- Funder Briefings the State of Trans and Intersex Funding

How does the organisation contribute to the European philanthropy ecosystem?
We regularly produce timely and relevant research related to Europe, Central Asia, and Russia. We coordinate an annual Donor Pre-Conference in advance of the ILGA-Europe civil society convening. We participate in public convenings including European Funders (EFC), Edge Funders, Ariadne, and others. We regularly engage with European Governments around the role of philanthropy and LGBTI Grantmaking. We are seen as the lead convener for LGBTI philanthropic interests in Europe.

If your organisation were an animal, what would it be?
An octopus because we have several arms everywhere, we have multiple hearts and brains, and are able to adapt to different spaces to do our work.

How does the organisation contribute to the European philanthropy ecosystem?
As one of the smallest national umbrella organisation in Europe combined with the fact that we are from a non-EU country, it is challenging to make a direct contribution on a European level. Our DAFNE membership is crucial. We raise awareness on matters regarding European philanthropy on a national level in Liechtenstein.

If your organisation were an animal, what would it be?
An elephant, because of its highly developed system of communication, social skills and determination. Elephants are communitarians: Building relationships and networks as well as showing care toward their communities stand at the core of their lives.

The Academy for the Development of Philanthropy

Established: 1998

Headquarters: Warsaw, Poland

Geographic focus: Europe

Number of members: We don’t have regular members, rather network of cooperating NGOs

Mission: Academy for the Development of Philanthropy in Poland is a unique place, where extraordinary things happen. We try to inspire and help in many ways and in different fields. Among our achievements there are programs and campaigns that became social brands. We support local communities, we award socially involved companies, we encourage people to help others. Modern philanthropy bases not on giving money or offering ready solutions to certain problems. It is rather inspiring to act and to change attitudes. This is the world we are trying to build. We believe that through the promotion of modern philanthropy, we can create the world in which people trust and help each other, are able to share with others and solve their problems jointly. The Academy, with the help of our Partners, changes the world for the better.

Main areas of activity:
• Combining global goals with local activities
• Supporting the social involvement of business – Benefactor of the Year, Leaders Pro Bono
